FILED

ORDER

The Court grants the defendant's motion and stays discovery in this case pending a ruling on motions the Court has under advisement in this case. If the Court rules in favor of the defendant on its motion for judgment on the pleadings and/or motion to reconsider, discovery will be moot. In issuing a stay of discovery and in working on the motions under advisement, the Court is mindful of the time critical nature of the plaintiff's claims and the Court is proceeding promptly with its work on the motions.

It is so ORDERED.
