Mr. Henry Hoss  
WWTA Chairman  
5751 Uptain Road  
Chattanooga, TN 37411

Dear Mr. Hoss:

Personally I feel you displayed bad judgment when you made your decision to place another charge on citizens of our county without first briefing members of the Hamilton County Commission.

I am extremely disturbed that a non-elected board would have the authority to take money out of the pockets of our citizens. You can be assured they consider this as another tax increase and it hampers local governments if they have the need for more revenue.

As Chairman of the Hamilton County Commission Finance Committee, I have been given the assignment to get more facts on this increase to the public. Please plan to attend the Hamilton County Commission Agenda Session on Thursday, May 29, 2008 at 9:30 A. M. to explain in detail your plans for this additional \$8.00 per month from Hamilton County citizens.

Sincerely,

A handwritten signature in cursive script that reads "Curtis D. Adams".
