MEMORANDUM

TO: Hamilton County Commissioners

FROM: Bill Hullander, Chairman

DATE: May 19, 2008

SUBJ: WWTA

I have received numerous calls and letters from citizens regarding the new charges initiated by the WWTA. This concerns me greatly because this fee will be more annually than a property tax increase for some individuals.

I feel we need to find out the reason they will be charging this fee. I will be assigning to the Finance Committee Chairman and the Finance Committee to look into this situation.

Thank you.
