**RE: PETITION OF TENNESSEE AMERICAN WATER COMPANY TO  
CHANGE AND INCREASE CERTAIN RATES AND CHARGES SO AS TO  
PERMIT IT TO EARN A FAIR AND ADEQUATE RATE OF RETURN ON  
ITS PROPERTY USED AND USEFUL IN FURNISHING WATER SERVICE  
TO ITS CUSTOMERS  
DOCKET NO. 08-00039**

Dear Ms. Dillon:

Enclosed please find the Supplemental Responses and Objections of the Consumer Advocate and Protection Division to the First Discovery Request of Tennessee American Water Company. This filing includes a computer disk that the Consumer Advocate requests be filed under seal. Although the Consumer Advocate does not believe that any of the information included on the disk is confidential, the Consumer Advocate makes this request out of an abundance of caution. On July 11, 2008, the Hearing Officer entered an Agreed Order Regarding Information Related to Frank Impagliazzo, wherein it was ordered that the Consumer Advocate's testimony be filed under seal for four business days to allow TAWC an opportunity to review the testimony for certain information. The Consumer Advocate believes that the computer disk should be made public after TAWC's time for reviewing this testimony has expired.

As always, feel free to contact me with any questions or concerns you may have.

Sincerely,

A handwritten signature in black ink, appearing to read "Ryan L. McGehee".

Ryan L. McGehee  
Assistant Attorney General
