

Biography on Kimberly A. Moss

Kimberly Moss is the Workforce Development Specialist for Summa Health System, a multi-hospital system based in Akron, Ohio and one of the largest employers in the Northeast Ohio region. Kimberly is responsible for the development and coordination of multiple workforce development strategies and initiatives to proactively develop a ready pool of future healthcare workers, as well as leadership talent through the Summa Mentoring Program. She also serves on the system's Diversity Action Council, Workforce Readiness Planning Committee and Employee Resource Council.

Kimberly's eighteen year professional career is highlighted by advancement and achievement developing and implementing diversity, workforce and student development programs and partnerships in higher education, financial services, healthcare and social services. Prior to her role at Summa Health System, Kimberly served as Manager of Recruiting and Organizational Development for the Center for Families and Children. She has also held various management and specialist positions at KeyCorp, Cuyahoga Community College, Cleveland State University, Cleveland Scholarship Programs, Inc., and the American Cancer Society. In addition, Kimberly has instructed college courses and training workshops on more than 25 topics on career development, leadership development, human resources management and diversity.

In 2001 Kimberly received her Masters of Nonprofit Organizations degree from Case Western Reserve University, and a Bachelor of Science in Journalism from Ohio University in 1990.

Kimberly is an active member and volunteer for numerous professional and community organizations, which include the Society of Human Resources Management, National Black MBA Association, United Way of Summit County Project Blueprint, Akron Reads, Junior Achievement, Inroads, Inc., Women in Leadership, and Cleveland Scholarship Programs, Inc. Alumni Council.
