Mr. Henry Hoss Chairman of WWTa

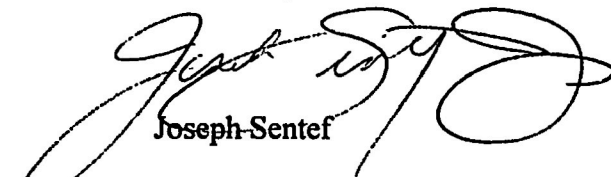

Dear Mr. Hoss,

Please accept this letter as a formal request to extend the execution of the Board's decision to implement imminent domain on our joining properties from 12/15/08 to 1/22/09. This time period would allow us the opportunity to attempt to resolve this issue without extensive legal involvement. Thank you for your support in assisting all parties involved in this matter and this opportunity for resolution.

Sincerely,

Bill Coughlin
