NCAA Division I 2007 - 2008 Academic Progress Rate Penalty Summary

Institution: University of Tennessee, Knoxville

Date of Report: 05/01/2009

This report is based on data submitted by the institution for the 2004-05, 2005-06, 2006-07, and 2007-08 academic years.

This report provides a summary of the teams identified at your institution that are subject to a contemporaneous penalty and/or historical penalty and their multiyear APR. The historical-penalty structure has a cumulative effect that continues to apply each year as a team progresses through the structure. Each year a team fails the historical-penalty review another stage of penalties will be added.

Sport	Multiyear APR	Contemporaneous Penalty	Historical Penalty - Occasion One	Historical Penalty - Occasion Two	Historical Penalty - Occasion Three	Historical Penalty - Occasion Four
Men's Basketball	924	Limited to awarding 12 athletic scholarship renewals.				

¹ Any contemporaneous penalty for the sports of cross country, indoor and/or outdoor track must count against the NCAA maximum team limit for cross country/track and field (i.e., 18 women's, 12.6 men's). If the institution sponsors cross country and does not sponsor track and field, the penalty counts against the NCAA maximum team limit for cross country (i.e., five men's, six women's).

² The penalty amount listed includes a penalty that was previously conditionally waived; however, the team failed to meet the condition and the penalty must now be imposed.

⁵ The institution's penalty waiver request is pending.
