Greetings Lecia;

Capital Outlay funds for the Dade County Public Library project have been approved by the State Legislature and the Governor. The next step will be a bond sale conducted by the Georgia State Finance and Investment Commission (GSFIC). Those specific sale dates will be determined at a later date. In the coming months you will receive communication from this office regarding the next steps in the process.

Congratulations on your award. I look forward to working with you on your project.

Should you need any additional assistance please feel free to contact me at (404) 235-7153.

Regards,
