

9-23-09 Phone Conversation concerning the banners at LFO

Donna Jackson informed me that I was breaking the law by allowing the cheerleaders to hold up the religious banners at the football games.

Donna said she was a Christian but she knew because of a law class that we were breaking the law and it needed to be stopped. She said she has had to look at those banners for five years.

She said she was doing this for the good people at LFO.

I told her I would see if we were breaking the law.

A handwritten signature in cursive script, appearing to read "Donna Jackson".

Denia...

Thanks for your email. I hope you know that our conversation in no way was meant to cause problems. I value our teachers' jobs and commitment to the school system and was really just wanting to stave off a potential problem for kind-hearted and hard working people.

Thanks, Donna

Donna,

I wanted to let you know that the banner will not be used again. I talked to Mr. Ransom and he is taking care of it.

Thanks,

Denia  
I respectfully request the public records from LFO and/or the BOE regarding the purchase of the LFO Cheerleaders' paint, tape, black roll paper, and related supplies as part of the LFO Cheerleading program specific to the banners made as a part of the fall football activity.  
I am aware that I may be charged a reasonable copy fee for this request.

Please let me know when I can come by and pick-up the records.

Donna
