

When other case are being heard on the same day, no cameras will be allowed.

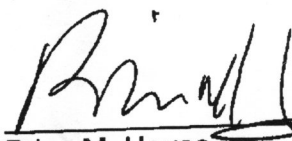

The Court will not allow any filming, cameras, still photos, or recording devices in the courtroom during any testimony of any victim and/or minor child.

The live telecast camera shall not be situated or utilized in such a manner that any person viewing the image, including but not limited to the camera operator, is able to view, read or distinguish any document, article or image located on or around either the counsel table, or bring utilized by any attorney, witness or investigator involved in any hearing or trial of this case. This Order shall specifically include but not limited to any documents or computer displays being so utilized.

Any media entity desiring to use cameras, must file a Rule 22 request. The Court will allow them to participate only if the proper representative acknowledges that the entity is subject to this Order in writing.

Any violation of this Order will subject the media entity or its employees to the contempt power of this Court.

So ordered this 9<sup>th</sup> day of March, 2010.

Brian M. House  
Superior Court Judge  
Lookout Mountain Judicial Circuit
