Meredith,

This is our Celebration Church membership list. Please add your name and address to the list. Please place this on the desktop in a file for the computer at the registration desk. Please design a background on the desktop to say Celebration Church.

Please let me know when this has been completed.

Also, you need to set up your office beside Bishop Shaw's office.

Can we get some kids snacks for the childrens church room. Maybe put some little juice box drinks and some gold fish crackers. Some little gummy packs too.

Thank you,  
Kammy
